Central Committee of Correspondence

The Central Committee of Correspondence is a non-profit collective, chartered as Community Publishing Inc. As a cooperative, it is collectively owned and democratically controlled by its workers, who are also members of a living collective here in Philadelphia. Most of us are active in our community's struggle for self-determination against surrounding institutions.

The list is published whenever revision is necessitated by significant changes of listings, new listings, etc., at least once a year, such that no listing is more than a year old. (The last list was April 1973.) The list is sent automatically to all listed groups, from whom we ask \$1 donation if they can spare it. The list is free to prisoners, and \$1 for individuals and institutions on request or by subscription. We also print the list on gummed sheets for \$3, two for \$5.

NOTE CHANGE OF ADDRESS:
3226 Powelton Ave., Phila. PA 19104
Phone: 215-EX 6-9904

RETURN THE COUPON--Let us know if your group is correctly listed. We automatically drop a listing if we don't hear of its existence after a year's time.

SEND A DONATION OF \$1, or more if you can. Printing costs have increased substantially, and we are now sending hundreds of lists free to prisoners and want to be able to continue to do so.

TAKE OUT AN AD--It will reach the 2000 groups listed and will help support us. Display ads are \$75 full page, \$40 half page, \$20 quarter page, etc. at that rate. Classifieds are \$1 per line (10 words)

SUBSCRIBE--(Individuals and institutions). We will send a copy of every revision. Send \$1 for every issue you wish to receive.

Why We Do It:

Perhaps this question need not be asked. But let us be reminded that radical change will never be accomplished in individualist America without great advances in above-ground organization, broad coalitions, and mutual support and communication among all progressive people and groups. The growth of the CCC list indicates that while there has been disillusionment for many, there has been awakening, and new struggle for more. The logic of our history is working its way out. The empire, capitalism, and all its justifications were exposed in the '60s and cannot now be covered over. From this point on the system cannot help but continually churn out its antagonists.

Working on this issue: Jack Wright, Lynn Rudolph, Carol Gaddin, Gerry Gaddin, Ken Moberg, Monty Lts, and Phyllis Babcock
